for you It's time to get ready.

Annual enrollment begins Oct. 12

We're simplifying enrollment so you can make informed choices for you and your family quickly and decisively.

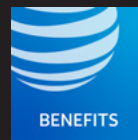

Visit the AT&T Benefits Center website to learn more about your benefits coverage. Connecting you with what you need to stay strong is the right thing to do for all of us. Together, we can *Win as One*. Start preparing now:

- Review your personalized benefits details and information about your 2021 options.
- Watch an interactive video about enrollment, which includes a step-by-step overview of the enhanced plan decision tool. (Heads up: The tool will be available when annual enrollment opens!)
- Schedule an appointment with an AT&T Benefits Center representative to move faster through annual enrollment.

What's new with your benefits in 2021? Here are a few highlights:

- **During enrollment, you'll have access to a new simplified plan decision tool so you can move faster.** Simple steps will walk you through your options, compare the plans and make suggestions based on who you are and what you may need.
- **IMPORTANT: Remember to check your providers.** When you enroll, you can check to see if your doctor is in-network through the enhanced plan decision tool or directly from your 2021 medical benefits administrator. Find out how to access both on the AT&T Benefits Center website.
- **You'll still be able to participate in the Castlight well-being program** to learn more about healthy actions and, if eligible, earn rewards.

Go to the AT&T Benefits Center website today to get details about what's changing and learn about your options for 2021.

During annual enrollment, download the AT&T Benefits Center app for easy access to your benefits anytime, anywhere.

Know an easy way to stay on top of deadlines?

Opt in for text message reminders. On the AT&T Benefits Center website, click on **Your Profile > Manage Communications**.

Did you know?

When you have questions or need help with enrollment, you can always call an AT&T Benefits Center representative to help you move faster through annual enrollment. Call between 7 a.m. and 7 p.m. Central time, Monday through Friday — or even schedule an appointment! To schedule an appointment, look for the appointment scheduler tile on the AT&T Benefits Center website.
