

Petition to Make it UNLAWFUL to Mandate Vaccination

Communications Workers of America Locals in Mississippi and the Mississippi Legislative Political Action Team present this petition in support of an Act prohibiting discrimination based on a person's vaccination status ...making it an unlawful discriminatory practice for an employer to terminate employment, refuse employment to a person, to bar a person from employment, or to discriminate against a person in compensation or in a term, condition, or privilege of employment based on the person's vaccination status

We, the undersigned, are concerned citizens who urge our leaders to act now to ensure the citizens of the Great State of Mississippi are not discriminated against due to their vaccination status
