Upcoming
Educational
Webinars!

Join Dynasty Advisors LLC for our June - July 2020 Educational Workshop Webinars

Presented by: Ronald Lomangino, CLU®, ChFC® - Managing Director

Alexander J. Saulon, CFP®, CDFATM, AIF® - Financial Advisor

Wednesday, June 10, 2020, 5:30pm to 6:30pm Webinar

“Reaching the Retirement Summit” and “Managing your Retirement Descent”

Learn about the 3P’s. Protection, Planning and Preservation.

What are the challenges and risks involved in the ascent and the perils of the decline?
We will discuss the Income for Life model as part of the strategy.

Wednesday, June 24 2020, 5:30pm to 6:30pm Webinar

“The Psychology of Investing”

Regardless of how sophisticated or well-intentioned an investor you are, we are all susceptible to thoughts and emotions that can be detrimental to our investments. We will be discussing what behaviors to watch out for, the impact they can have on your wealth, and how to minimize the impact of emotions on your investments.

Wednesday, July 8, 2020, 5:30pm to 6:30pm Webinar

Why Diversify Your Portfolio?

An Intuitive Explanation. Learn why, through this in-depth examination of diversified portfolio examples by taking a closer look at the numbers.

Wednesday, July 22, 2020 5:30-6:30pm Webinar

Long Term Care

Preparing for the Future. The agenda includes long term care perceptions, realities, the “new” normal, and looking at ways for paying for long term care.

To **ATTEND** our webinars, please send an email to info@dynastyadvisors.com, or contact Linda Barny at 866-284-1314 ext. 33 to obtain **gotomeeting** access codes.
