A. COMPOSITION AND SELECTION OF THE BOARD

1. The Board will be comprised of three (3) members (i.e., “arbitrators), under the following protocol: one (1) member selected by the Union, one (1) arbitrator selected by the Company and a third neutral arbitrator who will be selected in accordance with Section A.2. below, to properly conduct the Arbitration.
2. The neutral arbitrator shall be selected by the parties from the panel of thirteen (13) arbitrators, which such panel to be hereafter agreed to by the parties. If agreement cannot be reached, the parties will alternately strike names from the list until one (1) remains and that individual shall serve as the neutral arbitrator (the “Chairperson”).
3. If, for any reason, the neutral arbitrator (as agreed to by the parties or otherwise selected by default by the parties’ striking of names) is unable to serve, then the last name stricken shall serve as the Chairperson. Nothing herein prohibits the parties, by mutual agreement, from choosing a neutral arbitrator other than the thirteen (13) named in the panel.
4. A selected member of the panel shall serve until removed by the party which selected that member. The parties may remove a neutral member at any time by mutual agreement. Either party may remove a neutral unilaterally provided the neutral shall have served at least one (1) year as a member of the panel or has heard at least one (1) case.
5. Once a neutral has been selected to hear and decide a case, a single party may not remove such neutral until such case has been heard and decided. In the event that a party elects to remove a neutral (in accordance with Section A.4) that party shall provide the other party written notice of intent of at least thirty (30) days. In such event, the parties shall immediately confer and by mutual agreement, to name a replacement neutral. If the

parties are unable to agree upon a replacement before the expiration of the thirty (30) day period, either party may request that the National Mediation Board provide a panel of seven (7) potential members who have experience as neutrals in the airline industry and who are members of the National Academy of Arbitrators. The replacement shall be selected by the parties alternately striking names until only one (1) remains. The parties may mutually agree in writing to extend the thirty (30) day period for selecting a replacement before petitioning the National Mediation Board for a list of names.

B. DOCKET AND LOCATION OF HEARING

1. Each grievance presented to the Board shall be treated as a separate case, unless the parties mutually agree, in writing, to consider one or more cases as a single case.
2. The Board shall convene at the location(s) where (i) the grievance arose, (ii) the most convenient to the majority of the individuals necessary to the proceedings, or (iii) at such location where the parties mutually agreed upon. If the parties cannot agree to a location, then the Chairperson shall decide the location of the hearing.

C. PROTOCOL AT HEARING AND POWERS OF THE BOARD

3. The jurisdiction of the Board shall not extend to proposed changes in hours of employment, rates of compensation, rostering, scheduling, or any other working terms and conditions of employment covered by this Agreement or any amendment thereto, except as the parties may agree to submit to the Board.

When such notice may not reasonably be provided, CCMs that are necessary Union participants at a Board hearing will be released from duty, when necessary, in order to attend the hearing, so long as such release will not unreasonably interfere with the operations of the Company, as determined by the Company. Any release from duty under this Section C.4 will always be unpaid by the Company.
5. When it is mutually agreed by the Company and the Union that a stenographic report of a Board hearing is to be taken, the cost (of stenographer and resulting transcript of the hearing) will be borne equally by the Company and the Union. In the event it is not mutually agreed that a stenographic report of a Board proceeding will be taken, any transcript ordered by either party (through the hiring of a stenographer) shall be timely furnished to the other party upon request of the other party, provided that the cost of such transcript shall then be borne equally by the parties.
6. Each Board member will be free to discharge their duty in an independent manner, without fear that their relations with the Company or the Union may be affected in any manner by any action taken by them in good faith in their capacity as a Board member.
7. A majority vote of the members of the Board shall be competent to reach a decision. Decisions of the Board properly referable to it shall be final and binding upon the parties thereto.

E. EXPENSES AND TRANSPORTATION

2. Witnesses, of any party at the hearing, who are employees of the Company, shall receive free round-trip transportation if practicable and feasible in the Company's sole discretion, from the point of assignment to the point at which they must appear as witnesses, and then back to point of origination or (if different) to point of next of assignment, to the extent permitted by law.
3. The expenses and compensation for the Chairperson and the cost incurred in holding any hearing before the Board (e.g., hearing room rental, Chairperson's fees, Chairperson's travel expenses, court reporter, transcript, etc.) shall be borne equally by the Company and the Union.
