

PROTECT YOUR PENSION

Join CWA President Claude Cummings Jr. for a town hall on how our union is fighting to protect your pension at AT&T

AT&T recently transferred pension benefits covering over 96,000 retirees and beneficiaries out of the AT&T Pension Plan and to a life insurance company called Athene Holding Ltd.

Since this transaction was announced, CWA has been working to fight back against this transaction which threatens the retirement security of our members.

This townhall will include an overview of the concerns raised by this transaction and the steps that CWA and our retirees have taken to fight back and hold AT&T accountable for securing the retirement benefits earned by AT&T employees over their careers.
